The Key Transit System was permitted to abandon a portion of the street car line on Standard avenue, Richmond, under order of the board of supervisors at Martinez yesterday.

The Key System company applied to the supervisors some time ago to abandon the road. The matter came up before the board two weeks ago and was continued until Monday of this week. The franchise was granted to the railroad company in 1903.

Mrs. Margaret James Passes Away

After a lingering illness death came Sunday morning to Mrs. Margaret Wellington James, wife of H. Carey James, in a local hospital. The James family had been residing in Richmond only a little over a month, and had come here at that time for Mrs. James' health.

Mrs. James was born in Boston 44 years ago, and leaves besides her husband a family of six young children as follows: Dorothy W., Katherine A., Margaret C., Francis L., Herbert C., and Harold B. James, since his arrival here, has been employed in the Santa Fe shops.

The funeral services took place yesterday at 2 o'clock from Wilson and Kratzer's chapel, which was followed by cremation in Sunset View cemetery.

Winner of Bok Peace Plan Prize Is N. Y. Writer

PHILADELPHIA, Feb. 4.—Charles Herbert Levermore, New York, student of international relations, writer and former college professor, was tonight announced the winner of the $100,000 prize offered by Edward W. Bok, Philadelphia publisher, for the best plan to preserve peace among the nations of the world.

CHANGE OF FIRE LIMITS FORECAST

The granting of a temporary permit by the council last evening for the repairing of a small frame building on Richmond avenue, recently damaged by fire, may lead to a change of the fire limits on the west side.

Councilman Garrard said that property had depreciated to a great extent on the west side, and on account of the big cost of construction, if owners of property were compelled to put up class "B" buildings, it meant that no building would go on.

It was Garrard's idea that the fire limits be removed from the west side, so that owners would be encouraged in at least putting up frame buildings.

It was the opinion of Building Inspector Wierda that all restrictions should not be removed, but he thought, if the outside of structures were covered with stucco, this would reduce building costs, and still be some protection against fire.

No action was taken on the matter but it is likely that the question will be taken up at a future meeting and the building ordinance changed.

Assumes Duties As Recorder

Mrs. M. H. Hurley, widow of the late county recorder, yesterday formally assumed the duties of the office to which she was appoitned on Friday by the board of supervisors.

Prior to her marriage in 1912 Mrs. Hurley was connected with a Martinez abstract company and through her duties became familiar with the work of the recorder's office, which fits her well for her new undertakings.

All of the office deputies who served under the late Michael Hurley have been reappointed by Mrs. Hurley, and James E. Fahy of Pittsburg added to the staff to assume the post left vacant by the death of the late Joseph Briare. The other deputies are C. M. Bulger, chief deputy; Misses Bertha Morken, Hazel Rice, Irene Christeen, Lydia Bulger, copyists, Miss Mary Powers and Mrs. Edith Jacks, index clerks.

APPLIES FOR PERMIT

The application of L. F. Cowan for a permit to remodel the old Fort Bragg bar building at Sixteenth and Macdonald, was referred by the council to the building committee and the building inspector for one week.

It is understood tha place is to be fitted up as a cafeteria.

STANDARD OIL BOOSTS PRICE OF GAS 2 CENTS

Second Jump Within a Month Puts Cost at Nineteen and One-half Cents Per Gallon.

The second advance in California crude oil prices came quickly. Yesterday, after business hours, the Standard Oil company announced the following revised schedule of prices of crude oil at the wells:

Advances ranging from 15 cents a barrel for oil of 14 degree gravity to 19.9 degree gravity, and up to 39 cents a barrel for oil of 35 degree gravity and upward.

This brings the basic price of crude oil to $1 a barrel from 85 cents.

Fuel oil also was marked up 15 cents a barrel and gasoline and engine distillate 2 cents a gallon.

The notice of the change in prices sai dthat the new schedule would become effective today.

The other big marketing companies, it was said last night, would rearrange their schedules in harmony with that of the Standard Oil company.

In the financial district yesterday it was said that these advances were the logical outcome of similar advances in mid-continent and eastern oil, several of which have been announced since the first advance in California crude, about a fortnight ago.

Meanwhile the production of the flush fields in the southern part of het state is steadily declining, and the threatened closing down of the output from the naval reserve lands is expected to bring about an acute shortage.

According to a dispatch from Los Angeles yesterday, the output of the famous Santa Fe Springs field declined last week to 125,000 barrels a day.

The increase in price is expected to stimulate production on the part of some of the smaller companies, such as North American Oil Consolidated, which owns a big tract only partly developed.

The second raise in the price of gasoline will make the selling price in Richmond 19 1-2 cents a gallon. This is the second jump within a month. At the first of the year gasoline was selling for 13 1-2 cents a gallon. Then the state tax of 2 cents a gallon was added, and since that time there have been two raises.

Boy Scouts Hold Meet

Troop 204, the Boy Scouts of America, under the leadership of Scoutmaster Garrard, held their regular weekly meeting at the Pythian Castle last night Two boys passed their tenderfood tests and were taken into the troop. Stanley Russel and Robert Bazzol were the lads who took their first tests in scoutcraft.

The meeting was one of the most successful that has been held this year, as 27 of the troop members showed up to instruct the new boys in the mysteries of scoutcraft.

The troop will go in a body to the John Brown Tabernacle next Thursday to hear Evangelist Brown. His address that evening will have a special message to all young people.

FUNERAL SERVICE FOR EX-LEADER AT WASHINGTON

Plans Are Complete and Arrangements Made for Religious Rites.

WORLD MOURNS HIS DEATH

Splendor and Official Honors Will Be Absent; Two Services Planned.

WASHINGTON, Feb. 4.—America's war president will be lai dto rest here Wednesday with a simplicity of religious service befitting the closing of his life. No splendor or official honors will mark the entombment.

But while this decision was maturing among those he held closest in his heart the name of Woodrow Wilson was again ringing around the world in an outpouring of tribute to a leader who had given life itself in service for mankind.

The difficult decision was made yesterday by those who loved him best. Word came from Dr. Grayson, as friend and spokesman for the sorrowing widow and family, that the claims of the nation to show him lavish honors must be denied. His funeral tomorrow will be as simple as the last years of his life.

Plans for the funeral on Wednesday are brief. Two religious services will be held. The first will be at the quiet home on S street, and very few even of the limited circle of intimate friends will share in that. There is room for few, besides the family and nearest relatives. The time has been set tentatively for 3 p. m. and the service will take less than half an hour. The Rev. James H. Taylor, pastor of the Central Presbyterian church, Where Mr. Wilson worshiped, and the Rev. Sylvester Beach of Princeton, N. J., whose church he attended in the days of his quiet life as a college president, will conduct the simple rites of the Presbyterian faith for the dead.

From the house the casket will be carried up the short way to the cathedral grounds, where services will be held in Bethlehem chapel. The cathedral is hardly half completed. Looking up from the city, its curved walls are as yet but a suggestion of the vast bulk of the building that will one day dominate the hilly bastion on which it stands, the spreading life of the city below.

Will Install Street Light

At its meeting last evening the council ordered the installation of a street light at the corner of Thirty-fifth and Clinton.

This is one of the dark corners of the city, and right at the point where the home of Dr. C. W. Cote was robbed Saturday night.

NEW ORDINANCE READ

First reading of an ordinance cutting down the fire limits on Macdonald avenue, from 29th street to 25th street, was made at the meeting of the council last evening.

Among the other supreme officers who will be present will be Earl Eber, supreme scribe, and Jesse M. Whited iherheb. All will give short talks.

A large crowd of local Masons are expected to be present at the meeting.

Officers for the Richmond Pyramid of Sciots, which is to be instituted here in March, will be named at a meeting of all those who intend to join the Pyramid, to be held in the Builders' Exchange, Saturday evening at 7:30. Plans will also be perfected at that time for the big conclave, at which more than 2000 visiting Sciots are expected.

Will Determine Park Site At Meeting Monday

Whether the tract of land in Mira Vista offered as a park site will be accepted by the council, or another site in the same neighborhood, will be determined at the meeting next Monday night. John A. Miller, chairman of the Park and Playground commission was instructed to ascertain if another site was available and make a report.

City Engineer Chapman reported that to take care of the drainage of the proposed park site by building catch basins, and putting in drainage pipes would cost $1350. Miller reported that the four lots that it was thought necessary to complete the park site could probably be purchased for $2100. If the lots were purchased the paving in front of them would amount to about $700. This would make a total of $4150.

Two Injured When Car Goes In Ditch

Two men were slightly injured when their car went over an embankment at the side of the road near the tank farm early this morning, according to a report made to the police.

Those injured were E. C. Payne, 2202 Blake street, Berkeley; Ned Haley, also of Berkeley.

The accident occurred when Payne attempted to avoid hitting a car owned by Clarence Rose of Crockett, which had stalled in the center of the highway. The men were not seriously injured.

Four Candidates Announced For District Board

The candidacy of four El Cerrito men for positions as trustees of the Stege Sanitary District was made known here last night. Those who will run are Edward Weelder, Chas. Schwake, W. H. Van Fleet, incumbent, and T. Talmadge.

The election is to be held March 8, at which time two of the four will be chosen.

Van Fleet at the present time secretary of the board, is well known and is expected to put up a hard fight to retain his place.

Weelder is a stepson of Frank McDermitt and has been a resident of El Cerrito for many years. He is active in the volunteer fire department, a member of the Elks club, and an employe of the Standard Oil company.

Changes Made Effective Yesterday; R. T. Osborne New Superintendent.

ADVANCEMENTS ANNOUNCED

E. D. Gray and W. G. Hamilton Are Made Assistant Superintendents.

Four promotions were made effective at the local refinery of the Standard Oil company yesterday morning, according to official report given the Record-Herald last night.

W. D. Mason, prominent Richmond man, and for many years connected with the Standard Oil company, has been promoted to the office of manager of the Richmond refinery. Mason formerly held the office of superintendent. The appointment was made to fill the vacancy caused by the election of R. W. Hanna as a member of the board of directors of the Standard Oil Company of California.

R. T. Osborne, formerly assistant superintendent, has been promoted to the office of superintendent. E. D. Gray and W. G. Hamilton were named assistant superintendents.

Each man was advanced one step forward to fill the vacancy above him, it was reported. No further changes are contemplated in the near future.

All of the men who were promoted are well known in this city. The changes were made effective yesterday morning and the men took their new jobs at that time.

Hanna, former manager of the local refinery, was appointed a member of the board of directors last week. He had been connected with the local plant since 1922.

No changes in policy are are contemplated as the result of the promotions, it was stated.

City Denies Claim On Subway Case

L. Stroehle of San Bernardino, owner of the building at 1912 Macdonald avenue will be notified by the city attorney that the city is not liable for alleged damages to his building on account of the construction of the subway.

This was the action taken by the council last evening after City Attorney Hall had reported that no liability attached. Stroehle recently put in a claim to the city asking for $500 damages.

Legion Hall Site Lots Condemned

Condemnation of four lots in this city, to be used as a site for the Legion Memorial Hall, was made yesterday by the board of supervisors at its meeting in Martinez. Plans call for the construction of the building this spring. The supervisors were told that negotiations with the owners of the property for the purchase had failed.

WILSON IS DEAD

Woodrow Wilson, the nation's leader during one of the most trying times in its existence, is dead, a sacrifice to his high ideals. Party differences are forgotten—Wilson will be remembered as a man who did his best and gave his best for his country. He was a big man, a man who fought his battles silently, even hiding from his country the news of the illness which proved fatal.

Stricken during the heighth of his career he carried on, that the country might not suffer if the news were given out that he was ill, for he feared the effect on the stock market. When his second term as president ended he left the White House a broken man, looking twenty years older than when he had entered on his official duties eight years before.

The country mourns his loss. He had won the respect of not only those in the United States but throughout the world as the result of his efforts to perfect a plan which would make for universal peace. That the plan was not accepted did not matter—he had done his best.

Willing even to sacrifice his life for an ideal, Wilson set an example that is worthy of the highest praise.

* * * *

Ford's plan for universal peace, which would be to the end that everyone speak English, would at least make it possible for the average American to know what the members of other nations were talking about.

"St. Elmo" With John Gilbert, at California Today

That most popular of stage plays and novels, Augusta J. Evans's "St. Elmo," reached the screen last night at the California Theater, and is being offered with John Gilbert in the title role. The photoplay fulfills every romantic promise of the book and surpasses the stage production because of its beautiful scenes and vaster scope. It was produced by William Fox.

John Gilbert makes an ideal St. Elmo Thornton, the proud, tempestuous southern plantation owner, who is as violent in his hatred as in his loving. Barbara La Marr as the "love double crosser" is seen in an impressive portrayal of a woman who gives herself with seeming impassioned vehemence from one man to another. Excellent in her delineation of Edna Earle, she who restores St. Elmo's faith and wins his love, is Bessie Love, a fine contrast with Barbara La Marr. The care with which Director Jerome Storm has selected his cast of players contributes greatly to the dramatic interest of the picture.

The "double exposure" scene where the figure of the Devil enters the form of St. Elmo as he sees his sweetheart in the arms of his best friend is one of the most impressive bits the writer has seen on the screen.

Other features to be seen on the same program are, "Neck and Neck," a screamingly funny Mermaid comedy, "Felix the Goat Getter," a Felix the Cat cartoon. "Fun From the Press," Larry F. Canelo at the California Organ, plays a sweet Irish melody.

Extend Time Limit For Building Of New Ferry Slip

Arthur H. Draughon, president of the Richmond and San Francisco Transportation company, last night secured an extension of six months in which to commence the construction of a ferry slip on the piece of land that was leased from the City of Richmond. Under the resolution granted last evening work on the slip must be started by March 13, 1924.

A communication was read from Draughon, in which he spoke of the delay he had encountered in the securing of his permit from the railroad commission.

Plan Trip To English Exhibit

H. Avis, Mrs. Edna Parrott and Miss Edna Parrott, all of El Cerrito, have made arrangements to sail for England during the month of June, where they will view the British Empire Exhibition, to be held in London from April to October, it was learned yesterday. The exhibition is similar to expositions held in this country and will include many famous exhibits.

Jack Hoxie At Macdonald Today

"Men in the Raw," Jack Hoxie's new Universal starring vehicle, replete with sensations, thrills and daring horsemanship, comes to the Macdonald theater tonight. It is a hard-riding, swift-moving drama of the West, the locale being a Sierra plateau, and the action of the dramatic story teams with adventure.

A sensaional fight under water between Hoxie and Tex Parker is one of the outstanding thrills of the play. His rescue of Marguerite Clayton, who was dragged by an infuriated steer, is another exiting episode. Hoxie, in a daring leap from horseback, 'bulldogs' the steer. There is a thrilling plunge over a cliff, and several remarkable feats of horsemanship.

A big cast supports the cowboy star, Marguerite Clayton plays the principal feminine role, and Tex Parker, Sid Jordan, Tom Kerrick, J. Morris Foster and William A. Lowery are seen, as well as a score of cowboy riders from the Hoxie ranch.

The story deals with a modern Munchausen of the range, whose stories, told in camp, form the first part of the picture. Then follows a real-life adventure, in which Hoxie as the hero, battles to save the girl in the story. A daring chase over the plains, the thrilling water battle, and a remarkable scene in a cave, mark the high spots in the story. Throughout the thrills runs an intensive romance.

The story was adapted from a recent magazine tale by W Bert Foster, and George Marshall directed the play

E. J. Brown and Frank Carroll have purchased a new modern 8-room home located on Downer avenue east of Twenty-third street, in the Schapiro Central Tract. The deal was handled through H. E. Russell, salesmanager for H. O. Watson Realty Company for the Western Home Builders of San Francisco.

Terrific Storm Rages in East

CHICAGO, Feb. 4. — The worst storm of the winter from many angles swept the country from Minnesota to Texas today, with its center in Missouri, sleet and wind playing havoc with communications and colder weather having set in in the north. Many cities and towns are isolated by sleet-burdened wires.

The high winds, according to weather bureau reports, did also as much damage as sleet, and reached a velocity of 48 miles an hour in Chicago and ranged from 30 to 50 miles an hour over much of the other territory affected, which includes Minnesota, Wisconsin, North Dakota, Iowa, Illinois, Nebraska, Kansas, Missouri and southwestward into Texas.

Plan To Widen Standard Avenue

At the meeting of the council last evening on the motion of Councilman E. J. Garrard, proceedings were instituted for the opening and widening of Standard avenue from Garrard to Castro. The street will be made 80 feet wide.

As no agreement could be reached with property owners as to the value of the land that will be taken in on the widening, condemnation suits will be brought in the Superior court.

Fined $400 On Booze Charges

Possession of liquor cost Joe Sunichi, of San Pablo and L. Finato, of Antioch, $400 each yesterday when they admitted charges preferred against them by Clyde Laird, chief of the county's dry squad. The fines were imposed by Justice of the Peace Frank Flass. Both men were arrested Saturday night. A small quantity of wine was found in Spinicich's home. Finato was arrested at the Lucca Hotel, Antioch, after Laird had found a teapot filled with brandy in the kitchen.

GRANTED PERMIT

On motion of Councilman George F. Black, a temporary permit for the remodeling of a building at 450 B street was granted by the Council last evening.

Gray Hair Becomes Dark and Beautiful

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is mussy and troublesome.

Nowadays we simply ask at any drug store for "Weyth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.

Refuse To Aid All-Star Team

On account of a long schedule of league games, that will last until the latter part of March, the Mercantile Trust, DeMolay, and Junior Elk basketball teams have decided not to sacrifice their best players for the proposed all star team which has been planned for some time.

This decision will greatly weaken the strength of the proopsed all star quintet, because men who were slated for positions from the teams in the Commercial league were picked to be the backbone of the proposed basket five.

Nevertheless a star team will be picked from the remainder of the quintets in the Commercial league despite the great setback.

Council Raises "Ante" on Goat Limit in City

Goats and kids occupied the stage for a considerable portion of the time at the meeting of the council last night. The matter was first brought up when first reading of an ordinance to limit the number of goats to two, that could be kept in the limits of the City of Richmond.

Two ladies who reside at the southern end of South Fifteenth street said to adopt the ordinance would do them a great injury. The first lady said she had to use goat milk all of the time, and in order to keep supplied, she must keep four goats all of the time, two of them being dry and two of them giving milk.

Then Councilman Carey said he was willing to raise the limit, and moved that it be increased to four.

Immediately another lady told the council that she kept 14 goats, and their milk was her chief source of recenue. She could get along on less, but thought that the limit should not be made less than eight.

Then Councilman Carey said he was willing to raise the "ante" and moved the limit of the number of goats that could be kept be fixed at eight, which was done.

The ordinance will also provide that twice as many kids as goats can also be kept. A kid is designated as a goat under one year old.

Finally one member of the council suggested it would be impossible to tell whether the animal was a goat or a kid, and thought it would be a good plan to have birth certificates filed.

Appoint Watchman At Local Wharf

On the recommendation of Harbor Master J. H. Misner, and the approval of City Manager J. A. McVittie, the council last night appointed V. A. Phillips as night watchman at the municipal wharf at a salary of $140 per month.

Mr. Roberts Tells of an Interesting Experience

There are few men in Richmond better known—none whose opinion would be better respected than Mr. Roberts. He is only one of many Richmond people who have given Doan's Pills their public endorsement. Surely Record-Herald readers cannot ask for more convincing evidence.

F. Robetrs, deputy sheriff, of 542 Tenth street, Richmond, says: "Doan's Kidney Pills are not a new remedy to me. I used them while on a trip to England a few years ago. Shortly after arriving, I had an attack of kidney trouble. I had severe backache and soreness over my kidneys and the action of my kidneys was irregular. Doan's Pills soon fixed me up in good shape and rid me of backaches. I have come to depend on Doan's if I have the least sign of kidney trouble and they give me prompt relief."

A special prayer meeting for business and professional men will be held under the leadership of Loren G. Jones tomorrow morning at 10 o'clock in the real estate office of Isaac Lester, 311 Tenth street. There will also be a meeting at the Pullman shops at noon under the direction of Mr. Jones.

Beginning tomorrow night, there will be prayer meeting for Richmond young people at 7 o'clock in the inquiry room of the tabernacle.

On Wednesday noon there will be a meeting at the Certain-teed Products plant. On Wednesday night all of the members of the Pioneer Notcher clubs conducted by the Richmond Y. M. C. A. in the local churches will march in a body to the Tabernacle. They will meet in the Y. M. C. A. at 7 p. m. The Certain-teed Products employees will also have a delegation present.

Something new for Richmond will be started when the business and professional women of the city will meet with Mrs. Jones in the Wesley M. E. church at 7 p. m. to perfect an organization. There will be a "peppy" meeting just before the organization and local business women are asked to be present as early before 7 o'clock as they can. Mrs. Jones has made a nation-wide reputation in her work with women and has had years of experience in this particular division of women's work. She is a real woman who understands all the problems of womanhood and local women are fortunate in having her in Richmond for these three weeks.

On Friday afternoon at 3:30 there will be a special service for the boys and girls, while on Saturday afternoon at 2:30 there will be a special service for women and girls.

Asks $1330 For Support of Son

The sum of $1330 claimed to be due for the support of her son, is asked in a suit which has been instituted in the Superior court at Martinez by Belmira McDermott, formerly Belmira Silva, against George Valencia, Filomena Valencia and A. M. Silva.

According to the complaint a marriage of the plaintiff and defendant A. M. Silva was annulled on the 19th of January, 1914, and Silva was ordered by the court to give $15 monthly for the support of their child.

Recently Silva negotiated a loan of $1800 with certain of the other defendants, secured by Richmond property, and the plaintiff asks for a court order declaring the property and note to be the property of Silva in sufficient sum to satisfy the judgment of 1330 claimed by the plaintiff to be due for the support of the child.

CURED OF DROPSY FIVE YEARS AGO—IN FINE HEALTH EVER SINCE

Merced, Calif., Jan. 22, 1924.

To Whom It May Concern—Five years ago I was suffering from a dropsical condition and my stomach was fearfully dilated by gas and water. I could neither lie down nor breathe with comfort; and many were the nights that I had to sit up to get my breath. Some of the physicians by whom I was treated thought that my trouble was due to the heart, but no matter what treatment they administered, I was neither relieved nor otherwise benefited.

Fortunately a friend of mine told me of the wonderful success of the FONG WAN HERBALIST. I took his herbs for only a FEW WEEKS, but was ENTIRELY CURED. This was five years ago, and I have had no ailment of any kind since.

I formerly lived at 417 48th St., Oakland, but am now living in Merced. I am sending this testimonial and my photograph to the FONG WAN HERB CO., to again express to them my happiness over my COMPLETE AND PERMANENT RECOVERY.

Richmond Quintet To Meet Oakland Team Here Friday

The hoop teams of the Richmond high school, the 130's and the unlimited, will meet the quintets from the McCloynds high school, Oakland, Friday in the local high gym. This school was formerly the Vocational high school and has one of the best aggregations in the bay cities.

Last Friday night the local quintet took the Mission High School of San Francisco by a score of 31 to 11 and the limited team won its game after a hard fight by a score of 20 to 16. Both of the local teams are in fine form and are looking forward to another victory.

The unlimited team will probably go on the court with this lineup: Cornell and Lee, forwards; Chattelton and Paasch, centers; Campbell and Wood, guards. Subs, Brusie, Church and Muth.

Dramatic Club To Give Play

Members of the Richmond high school dramatic club will present a play and vaudeville members at the Roosevelt junior high auditorium in the near future. Proceeds from the affair will be used to make up the deficit in athletic funds. A one-act play and several short skits will be presented.

Assault With Deadly Weapon Is Charged

A charge of assault with a deadly weapon was placed against Jacob Engleman, carpenter, 2459 Clinton avenue, by Reinhardt tSark, 466 South street, Sunday morning, as the result of a fight which, police say, occurred early Sunday morning in a house at 4563 South street.

During the brawl, police say, Engleman hit Stark with a knife, wounding him in the thigh. Engleman claims that he was struck over the head with a bottle. The men were treated at the Emergency hospital. A party was in progress when the fight started, police say.

The complaint against Engelman was sworn to by Stark, the former now being at liberty on $500 cash bail.

Given Jail Term As Result of Row At Pinole Dance

Five men were arrested Saturday night at a Pinole dance on the charge of drunk and disorderly conduct. On being hailed before Justice Terry of Pinole yesterday, Alfred Birdill was sentenced to 60 days in the county jail, George Butterfield, one of the men taken into custody was dismissed, while the other three were fined $25 each.

According to Deputy Sheriff J. M. Joseph, who with Constable Arthur McDonald of Pinole, were the first officers on the job, three women were carried from the hall in such a state of intoxication that they could not walk. One woman was carried from the hall by her escort and thrown to the pavement in front of the building, the officers state. Joseph and McDonald were aided in stopping the disorder by five other deputy sheriffs, who arrived at midnight.

Customer Cooperation

TELEPHONE service consists essentially in providing the facilities for communication.

Reduced to fundamentals, it may be stated thus:—

A is provided with a telephone.

B is provided with a telephone.

C, through wires and mechanism, connects these two telephones.

Satisfaction with the service depends largely on A and B.

From the very beginning their cooperation is imperative. A must call B and B must answer. Doing these things in the way which makes for good service involves:—

1—Such care in asking for the number as one would use in addressing a letter.

2—Such promptness in answering the call as one would give to keeping a personal appointment.

3—Such courtesy as one would show in making or receiving a business or social call.

4—Such clear, correct speech as one would use in the face-to-face transaction of the most important business.

Each subscriber can increase the effectiveness of his telephone communication by such thoughtfulness as he would employ in his daily life.

Forecasting A Tremendous Spring Demand

739,626

more Ford cars and trucks were produced last year than the previous year, an increase of over 50 per cent.

In spite of this tremendous increase in production, it was impossible to meet delivery requirements during the spring and summer months when orders for 350,000 Ford Cars and Trucks could not be filled.

This year winter buying for immediate delivery has been more active than ever before—and in addition 200,000 orders have already been booked through the Ford Weekly Purchase Plan for spring delivery.

These facts clearly indicate that the demand during this spring and summer will be far greater than ever, and that orders should be placed immediately with Ford Dealers as a means of protection against delay in securing your Ford Car or Truck or Fordson Tractor.

A small deposit down, with easy payments on the balance arranged, or your enrollment under the Ford Weekly Purchase Plan, will put your order on the preferred list for spring delivery.
